Grace Woods Senior Living

- Locally owned and operated Assisted Living Facility
- Licensed and certified by the Ohio Department of Health and the Ohio Department of Aging
- Managed by a Licensed Nursing Home Administrator

Our 24 Hour model of care and services focus on “Change of Condition Management.” Changes in medical condition, mental status or general health are continually monitored. Interventions are coordinated with the resident’s attending physician to maintain their highest level of functionality.

Our certification through the Ohio Department of Aging provides eligible residents access to Ohio Medicaid Funding (The Assisted Living Waiver Program).

Private suite rates include nursing management, medication administration, 24 hour assistance with activities of daily living, wireless call system, nutritious meals, housekeeping, laundry and activity services.

Please call us to tour our facility and discuss the benefits of Grace Woods Senior Living
