DIXIE-SOUTHERN ANNOUNCES NEW CORPORATE LOCATION AT 842 62ND STREET CIRCLE EAST, UNIT 101 • BRADENTON, FL 34208

Bradenton, FL – April 24, 2015 – Dixie-Southern, a privately-held ASME code steel plate and pipe fabricator, announces its purchase of a new corporate location. The sales and corporate staff are now closer to the 12-acre manufacturing plant in Duette, FL. There is now a grand total of 65 employees, with 7 of them being sent to the new location.

This new Bradenton location shows a great upswing for Dixie-Southern. The close proximity from the new corporate headquarters to the manufacturing plant will maximize profits and give them an advantage in manufacturing as efficiently as possible

Dixie-Southern, founded in 1976, specializes in oversized and overweight fabrication, processing and handling capabilities. They are a leader and innovator among steel fabricators specializing in heavy plate work, including ASME code and non-code steel tanks, pressure vessels, heavy welded ductwork, large-diameter pipe, exhaust stacks, spool pieces, bins, steel silos, steel wind turbine towers and hoppers. Dixie-Southern also provides a full range of coatings, linings, painting and testing - essential to the manufacturing process. Dixie-Southern is a certified ASME, AWS, API and AWWA company.

For more information about Dixie-Southern's products and services, call their corporate headquarters at 941-776-1211, email them at info@dixiesouthern.com or visit www.dixiesouthern.com.
